Dear Jocelyn and Joseph –

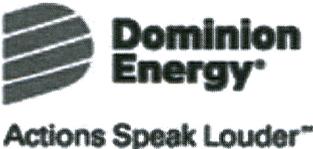

On July 31, 2019, the Public Service Commission of South Carolina (“Commission”) issued an order in Docket No. 2019-184-E, as well as certain other dockets, advising the parties that the Commission is, pursuant to S.C. Code Ann. § 58-41-20(I), employing Pegasus-Global Holdings, Inc. (“Pegasus”) to assist the Commission in carrying out its duties under Act 62. Dominion Energy South Carolina, Inc. (“DESC”) does not have any objection to the Commission retaining the services of Pegasus; however and in the event that the Commission is unaware, DESC would like to inform the Commission as well as the other parties of record, that the Chair of the Board of Directors for Pegasus is a former member of the Board of Directors of SCANA Corporation (“SCANA”). More specifically, Dr. Patricia Galloway was elected to SCANA’s Board of Directors in July 2018, and she served as an independent director on the Board until SCANA merged with Dominion Energy, Inc. on January 1, 2019. As stated above, DESC does not have any objection to the Commission’s selection of Pegasus, but DESC wanted the Commission and the other parties of record to be aware of Dr. Galloway’s past association with SCANA.
